^Prayer of Confession

God of day and God of darkness, all our time belongs to you. Yet how often we fail to notice your nearness, feel your presence, trust your guidance. We desire only good times, happy moments, and miss your work in the shadows. We avoid conflict with others and fear looking deep within ourselves. Sometimes it feels we have no place left to run, no place left to hide. Loving God, hold us during these Lenten days so we can look at ourselves, our relationships, our openness to you. In brightness or darkness, let us always know your healing, freeing, guiding presence. Amen.

Think About Anger

~ When angry count to ten before speaking. When very angry count to one hundred and then don’t speak.

~ For every minute you’re angry, you lose sixty seconds of happiness.

~ Men with clenched fists cannot shake hands.
