Lord, we can be so quick to judge and just as quick to give up. We give up on others and even ourselves. We see situations as being beyond hope. That is, beyond our hope as well as yours. We assume some people to be too far gone and beyond the reach of your grace. We forget to see as we are seen by you. Forgive us when we write others off and help us to remember you are a God who makes all things new. Amen.
