^Offertory Blessing	Usher
---------------------	-------

Lord, you have blessed us and called us to be a blessing unto others. But, sometimes, if we are not careful, we can cling too tightly to what we have. There is nothing wrong with having, but sometimes we lose perspective. We confuse wants and needs, and do what we can to preserve what is ours. Forgive us for not sharing and for the ways in which we may complicate the lives of others by our selfishness. Give us clean hands, pure hearts, and a desire to be selfless with what we have. Amen.

we have. Amen.
